Chapter 1 by XOXkitkatXOX

"Hey yo, Jess! What's up?" Anthony says, cupping his mouth to amplify his voice. Jess was across the parking lot, sitting down at Starbucks. When she heard her name, she almost spilled her coffee. She wasn't exactly the popular kid in her school, in fact, she was the exact opposite! So when she heard her name, she was surprised.

She turned, expecting her mom or brother to be there, but no, it was Anthony! The most popular kid in school! She smiled, and waved a shy little wave. He smiled back, and waved. He walked over, and sat down next to her. She looked at him, and when their gazes met, she looked back down at her cup.

"So, Jess, what are you doing here?" he asked, trying to spark up some small chat. She looked at him, and shrugged.

"My mom dropped me off here. I think she said something about taking my brother to soccer practice?" she said, thinking back to when she was on the couch, half asleep. Her mom walked up to her and started talking, but she was pretty much drowned out. The only reason she had started to listen was because she heard Starbucks

"Well, I came cause I was bored. I See more of Story Wars ing of dad's, is your's gonna be mad at me?" he asked

"Well, my dad's actually dead, he died when I was about 10. And why would he be mad?" she asked, looking down at the table. It had been about four years since the crash. She looked at Anthony, expecting him to answer, but all he did was stand up.

He walked over to her, and said "For this..."

Now, before I continue, I have to tell you something. Don't hate Anthony for this... He actually just saved her! Jess hasn't taken a sip of her coffee yet, which is lucky! Now back to the story.

Anthony bumped his shoulder into hers, and her coffee dropped onto her. It spilled everywhere, and she jumped back in surprise. Anthony started laughing and slapping his side. A couple of his friends came out of the bushes with phones, saying "I GOT IT!!!"

Okay... Don't hate on Anthony, he doesn't have a choice! He had to save her life, but he had to do it where it wasn't obvious, or else... So he decided to put it into the form of bullying...

Jess Dies... And Then Gets Resurrected In A World Where She Is Alone

I promise you, he saved her life! But no one knew. Not even Jess. That coffee was poisoned. But how? And by who? Anthony knew...he couldn't tell anyone though. It would definitely be the end of his life if he did!

So he did it. He knew it looked like bullying, but he has to do it! To save Jess! He actually kind of liked Jess, but the live or die, cut throat life of the popular kid would not allow him to be with her. Maybe he could try to help her become popular? No, the popular girls wouldn't accept her. Whatever, at least -for now- he had saved her life, even if it was not noticed.

"I have to tell someone..." Anthony whispered to himself as he walked over to the nearby bush where 3 other boys were having the time of their lives. "NO, I can't! I'll die if I try", he whispered silently. If only he could tell, but unfortunately he was being watched and listened to. "But I have to save her..." he concluded, and suddenly rushed down the street.

Chapter 4 by bluedog

Jess started walking the other way, going unnoticed, stealthy through the trees. It was easy for her to go unnoticed. Nobody cared about her at all. She couldn't let him die trying to save her. She had to save him, even if it meant her death. She wrote a note to put in Anthony's locker. It explained it all. It read:

Dearest Anthony,

I didn't want to leave, but you have to understand, what you wanted to do, it was too dangerous. Anthony I care about you but I have to go away. Forever. I'm sorry. Don't look for me. There is nothing left you can do. Please forgive me, and yourself. This is not your fault. You got involved in something not concerned with you. If a man comes to you asking for me give him this code

I'm so sorry for all the pain I have caused you.

Sincerely,

Jess
